STRATOLABS menschlich und fair.

Installation guidelines

For the installation of STRATOLABS applications I recommend an own location in its own folder.

For Use on the location of your disk its not possible to use the folders *Program Files or* programs (x 86).

Create the folder STRATOLABS.

Then install the individual STRATOLABS applications you want in this folder.

If you have any questions concerning the installation, please contact the STRATOLABS support under technical.support@stratolabs.de .

🙀 Constructor	
Select Installation Folder	STRATOLABS
	www.stratolabs.de
